**MEMORY VERSE**

...Let your light shine so others can see it. Then they will see the good things you do. And they will bring glory to your Father who is in heaven.

- Matthew 5:16

Connect the dots to finish the words on the banner. Remember God is better than the best Dad in the world. Knowing this about God our Father, decorate the banner or write words to show how you can live out what the banner says or how you feel about what it says.

Finish drawing and colour the dad and son swimming.

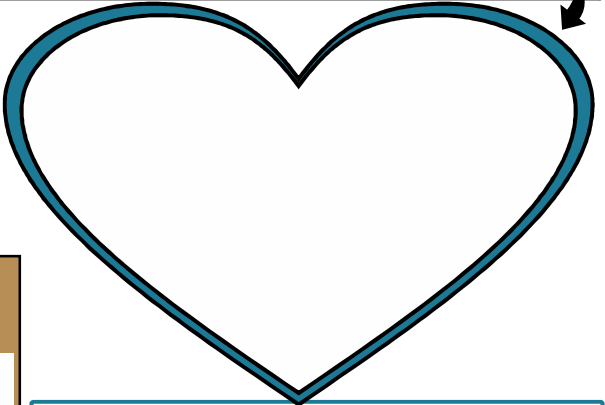

**BIBLE BITS**

**QUESTIONS**

1. When do you do things to impress others?
2. Why is knowing God as your Heavenly Father more important than impressing people?
3. How can you practise loving God and people this week?

Jesus talked about us freely giving to those in need, praying and fasting. In the heart draw or write how you can do one of these this week.

Read the memory verse below. Then begin at "A" and follow the bold words from the verse through the maze. Colour the correct path.

...Let your light shine so others can see it. Then they will see the good things you do. **And they will bring glory to your Father who is in heaven.**

Who shows us how God our father wants us to live? To find out, colour the left over letters in the maze a different colour. Write the name on these lines.
