

# Australian Presbyterian World Mission

## Queensland Prayer Letter, June, 2025

**Dear brothers and sisters in Christ, this Sunday, please pray for our 14 missionary families in APWM-Qld and support APWM through the Pentecost Sunday appeal.**

# Pray for God to open doors of opportunity for our missionaries to share the Gospel with the unreached and bear fruit through discipling believers. Pray that God would be please to save the lost through the works of our missionaries and to extend his kingdom in these many different regions of the world.

# Pray for wisdom and strength for couples who work in sensitive areas. They deal with many complex issues of communicating the Gospel to the unreached in sensitive situations, supporting believers who are new to Christian fellowship and Bible study, and providing help to the poor and marginalized. Dan and Rach, Luke and Laura, L and C, and J and R.

# Give thanks for the safe birth of Samuel, the second child of Jared and Venera. Pray for Anna and Marcus who now return to Australia for the birth of a second child and home assignment.

# Pray for Adam and Helane's work in Chiba-shi, Japan and for refreshment for them as they will return for home assignment.

# Pray for Jeroen and Diana's ongoing work in Kompiam, Papua New Guinea. Pray for Keith and Elspeth's reappointment from Ukarumpa, Papua New Guinea to a combination of Wycliffe finances (Melbourne) and trips to Ukarumpa.

#Pray for those serving mission work overseas while predominantly based in Australia: Linda McKerrell working for OMF, Emmanuvel and Christobel working for IRFQ (South India Hope Reformed Churches), Ian and Dorcas (sensitive mission area), Ian and Norma supporting African Reformed Theological Seminary in Uganda, and Keith and Kathy Benn continuing to support several overseas mission works.

#Pray for the Lord of the harvest to send out missionaries into the harvest (Luke 10:2) and for our churches to grow in the means to support financially these works. Below is a photo of one mission event which reached hundreds of unreached village children with the message of Jesus Christ, our Saviour and Lord. Praise God for his grace to save sinners!
